

Blood Donation at Tengku Ampuan Rahimah Hospital

Volunteer Manhours: 37
Total Number of Beneficiaries : 99
Actual Amount Invested in
Community: RM 1,815

April 2024

Program Description:

In collaboration with Tengku Ampuan Rahimah Hospital, Klang (HTAR), Wasco Berhad (Wasco) through Wasco Process Engineering (WPE), Wasco Agrotech (WAT), and Wasco Thermal (WT) orchestrated a blood donation campaign, echoing the ethos of giving and compassion.

This endeavour highlights the critical need for safe blood access, aligning with the imperative of national health care policies. With each drop of blood donated, our collective effort not only saves lives but also nurtures a sense of communal solidarity. The resounding success of the campaign, more than 150 participants registered and 86 pints of blood collected, exemplifies the profound impact of collective action in fostering well-being and resilience within our communities.

As #TeamWasco, we are deeply grateful for the unwavering support of all involved, epitomising the essence of corporate responsibility and community impact. Let's continue to champion this noble cause, spreading awareness and inspiring others to join us in making a tangible difference in the lives of those in need.
