### Program Description:

Our team across Wasco Coatings Malaysia (WCM) and Wasco Lindung Sdn Bhd (WLSB) have been actively spreading joy and compassion throughout the community with our “Wasco Prihatin 2024” programme. Embodying the spirit of heartfelt kindness and generosity, Wasco Prihatin is more than just a programme; it’s a testament to our commitment to making a positive impact to our community through warmth and goodwill within our network of operations.

As part of Wasco Prihatin 2024, our team prepared, packaged and distributed Bubur Lambuk - a traditional Ramadan porridge - to members of nearby community at Masjid Tengku Abdullah Al-Haj, Chengal Lempong, Kuantan. The sight of happy smiles welcoming the streams of hot porridge warmed our hearts as a total of 1,000 packs were distributed by 10 of our volunteers and local committees in the spirit of this sacred month.

In addition to contributing iftar packed food to all staff at our Kuantan site and plant, our dedicated team of volunteers also visited local orphanages, hosting special iftar session and spending quality time with the children. These interactions, benefitting close to 150 souls, not only bring our team together but also provide an opportunity for us to connect with our community members and celebrate the blessings of Ramadan.

At Wasco, philanthropy lies at the heart of our vision. Through initiatives like Wasco Prihatin, we aim to exemplify our dedication to social responsibility and make a meaningful difference to the lives of those around us. Let's embrace the spirit of giving, compassion, and unity not just this Ramadan season, but future and beyond.
